2. **Basis of contract**

- 2.1. The Order constitutes an offer by the Customer to purchase Goods and/or Services in accordance with these Conditions. The Order shall only be deemed to be accepted when the Supplier issues written acceptance of the Order at which point and on which date the Contract shall come into existence (the **"Commencement Date"**).
- 2.2. The Contract constitutes the entire agreement between the parties. The Customer acknowledges that it has not relied on any statement, promise or representation made or given by or on behalf of the Supplier which is not set out in the Contract.

- 2.3. Any samples, drawings, descriptive matter or advertising issued by the Supplier and any descriptions of the Goods or illustrations or descriptions of the Services contained in the Supplier's catalogues or brochures are issued or published for the sole purpose of giving an approximate idea of the Services and/or Goods described in them. They shall not form part of the Contract or have any contractual force.
- 2.4. These Conditions apply to the Contract to the exclusion of any other terms that the Customer seeks to impose or incorporate, or which are implied by trade, custom, practice or course of dealing.
- 2.5. Unless otherwise stated, any quotation or proposal given by the Supplier shall not constitute an offer, and is only valid for a period of thirty (30) Business Days from its date of issue.
- 2.6. All of these Conditions shall apply to the supply of both Goods and Services except where application to one or the other is specified.

3. **Goods**

- 3.1. The Goods are described in the Goods Specification.
- 3.2. The Supplier reserves the right to amend the Goods Specification if required by any applicable statutory or regulatory requirements.

4. **Delivery of Goods**

- 4.1. The Supplier shall ensure that each delivery of the Goods is accompanied by a delivery note which shows the date of the Order, all relevant Customer and Supplier reference numbers, the type and quantity of the Goods and, if the Order is being delivered by instalments, the outstanding balance of Goods remaining to be delivered.
- 4.2. The Supplier shall deliver the Goods to the location set out in the Order or such other location as the parties may agree (the "**Delivery Location**") at any time after the Supplier notifies the Customer that the Goods are ready. If no Delivery Location is stated on the Order or agreed between the parties, the Customer shall collect the Goods from the Supplier's premises or such other location as may be advised by the Supplier before delivery within five (5) Business Days of the Supplier notifying the Customer that the Goods are ready (and reference in these Conditions to the "Delivery Location" shall be construed accordingly).
- 4.3. Delivery of the Goods shall be completed on the Goods' arrival at the Delivery Location.
- 4.4. Any dates quoted for delivery of the Goods are approximate only, and the time of delivery is not of the essence. The Supplier shall not be liable for any delay in delivery of the Goods that is caused by a Force Majeure Event or the Customer's failure to provide the Supplier with adequate delivery instructions or any other instructions that are relevant to the supply of the Goods.
- 4.5. If the Supplier fails to deliver the Goods, its liability shall be limited to the costs and expenses incurred by the Customer in obtaining replacement goods of similar description and quality in the cheapest market available, less the price of the Goods.

- 4.6. If the Customer fails to accept or take delivery of the Goods within five (5) Business Days of the Supplier notifying the Customer that the Goods are ready, then except where such failure or delay is caused by a Force Majeure Event or by the Supplier's failure to comply with its obligations under the Contract in respect of the Goods: (i) delivery of the Goods shall be deemed to have been completed at 9.00 am on the sixth (6th) Business Day following the day on which the Supplier notified the Customer that the Goods were ready; and (ii) the Supplier shall store the Goods until delivery takes place, and charge the Customer for all related costs and expenses (including insurance).
- 4.7. If ten (10) Business Days after the Supplier notified the Customer that the Goods were ready for delivery the Customer has not accepted or taken delivery of them, the Supplier may resell or otherwise dispose of part or all of the Goods and, after deducting reasonable storage and selling costs, account to the Customer for any excess over the price of the Goods or charge the Customer for any shortfall below the price of the Goods.
- 4.8. The Supplier may deliver the Goods by instalments, which shall be invoiced and paid for separately. Each instalment shall constitute a separate contract. Any delay in delivery or defect in an instalment shall not entitle the Customer to cancel any other instalment.
5. **Quality of Goods**
- 5.1. The Supplier warrants that on delivery, and for a period of twelve (12) months from the date of delivery (the "**Warranty Period**"), the Goods shall: (i) conform in all material respects with their description and the Goods Specification; and (ii) be free from material defects in design, material and workmanship.
- 5.2. Subject to clause 5.3, if: (i) the Customer gives notice in writing during the Warranty Period and within a reasonable time of discovery that some or all of the Goods do not comply with the warranty set out in clause 5.1; and (ii) the Supplier is given a reasonable opportunity of examining such Goods; and (iii) the Customer (if asked to do so by the Supplier) returns such Goods to the Supplier's place of business at the cost; the Supplier shall, at its option, repair or replace the defective Goods, or refund the price of the defective Goods in full.
- 5.3. The Supplier shall not be liable for the Goods' failure to comply with the warranty in clause 5.1 if: (i) the Customer makes any further use of such Goods after giving a notice in accordance with clause 5.2; (ii) the defect arises because the Customer failed to follow the Supplier's oral or written instructions as to the storage, installation, commissioning, use or maintenance of the Goods or (if there are none) good trade practice; (iii) the defect arises as a result of the Supplier following any drawing, design or Goods Specification supplied by the Customer; (iv) the Customer alters or repairs such Goods without the written consent of the Supplier; (v) the defect arises as a result of fair wear and tear, wilful damage, negligence, or abnormal working conditions; (vi) the Goods differ from the Goods Specification as a result of changes made to ensure they comply with applicable statutory or regulatory standards.
- 5.4. Except as provided in this clause 5, the Supplier shall have no liability to the Customer in respect of the Goods' failure to comply with the warranty set out in clause 5.1.

5.5. The terms of these Conditions shall apply to any repaired or replacement Goods supplied by the Supplier under clause 5.2.

6. **Title and risk**

6.1. The risk in the Goods shall pass to the Customer on completion of delivery.

6.2. Title to the Goods shall not pass to the Customer until the Supplier has received payment in full (in cash or cleared funds) for: (i) the Goods; and (ii) any other goods that the Supplier has supplied to the Customer in respect of which payment has become due.

6.3. Until title to the Goods has passed to the Customer, the Customer shall: (i) hold the Goods on a fiduciary basis as the Supplier's bailee; (ii) store the Goods separately from all other goods held by the Customer so that they remain readily identifiable as the Supplier's property; (iii) not remove, deface or obscure any identifying mark or packaging on or relating to the Goods; (iv) maintain the Goods in satisfactory condition and keep them insured against all risks for their full price on the Supplier's behalf from the date of delivery; (v) notify the Supplier immediately if it becomes subject to any of the events listed in clause; and (vi) give the Supplier such information relating to the Goods as the Supplier may require from time to time; but the Customer may resell or use the Goods in the ordinary course of its business.

6.4. If before title to the Goods passes to the Customer the Customer becomes subject to any of the events listed in clause 13.2, or the Supplier reasonably believes that any such event is about to happen and notifies the Customer accordingly, then, provided the Goods have not been resold, or irrevocably incorporated into another product, and without limiting any other right or remedy the Supplier may have, the Supplier may at any time require the Customer to deliver up the Goods and, if the Customer fails to do so promptly, enter any premises of the Customer or of any third party where the Goods are stored in order to recover them.

7. **Supply of Services**

7.1. The Supplier shall provide the Services to the Customer in accordance with the Service Specification in all material respects.

7.2. The Supplier shall use all reasonable endeavours to meet any performance dates for the Services specified in Service Specification, but any such dates shall be estimates only and time shall not be of the essence for the performance of the Services.

7.3. The Supplier shall have the right to make any changes to the Services which are necessary to comply with any applicable law or safety requirement, or which do not materially affect the nature or quality of the Services, and the Supplier shall notify the Customer in any such event.

7.4. The Supplier warrants to the Customer that the Services will be provided using reasonable care and skill.

8. **Customer's obligations**

8.1. The Customer shall: (i) ensure that the terms of the Order and (if submitted by the Customer) the Goods Specification are complete and accurate; (ii) co-operate with

the Supplier in all matters relating to the Services; (iii) provide the Supplier, its employees, agents, consultants and subcontractors, with access to the Customer's premises, office accommodation and other facilities, as may be reasonably required by the Supplier to provide the Services; (iv) provide the Supplier with such information and materials as the Supplier may reasonably require to supply the Services, and ensure that such information is accurate in all material respects; and (v) obtain and maintain all necessary licences, permissions and consents which may be required for the Services before the date on which the Services are to start.

- 8.2. If the Supplier's performance of any of its obligations in respect of the Services is prevented or delayed by any act or omission by the Customer or failure by the Customer to perform any relevant obligation ("**Customer Default**"): (i) the Supplier shall without limiting its other rights or remedies have the right to suspend performance of the Services until the Customer remedies the Customer Default; (ii) the Supplier shall not be liable for any costs or losses sustained or incurred by the Customer arising directly or indirectly from the Supplier's failure or delay to perform any of its obligations as set out in this clause 8.2; and (iii) the Customer shall reimburse the Supplier on written demand for any costs or losses sustained or incurred by the Supplier arising directly or indirectly from the Customer Default.

9. **Charges and payment**

- 9.1. The price for Goods shall be the price set out in the Order or, if no price is quoted, the price set out in the Supplier's published price list as at the date of delivery. The price of the Goods is exclusive of all costs and charges of packaging, insurance, transport of the Goods, which shall be paid by the Customer when it pays for the Goods.
- 9.2. Unless otherwise agreed in writing between the parties, the charges for Services shall be on a time and materials basis as follows: (i) the charges shall be calculated in accordance with the Supplier's standard daily fee rates from time to time in force; (ii) the Supplier's standard daily fee rates for each individual person are calculated on the basis of a seven-hour day from 9.00 am to 5.00 pm worked on Business Days; and (iii) the Supplier shall be entitled to charge the Customer for any expenses reasonably incurred by the Supplier or its personnel in connection with the Services including, but not limited to, travelling expenses, hotel costs, subsistence and any associated expenses, and for the cost of services provided by third parties and required by the Supplier for the performance of the Services, and for the cost of any materials.
- 9.3. The Supplier reserves the right to increase its standard daily fee rates for the charges for the Services, provided that such charges cannot be increased more than once in any twelve (12) month period. The Supplier will give the Customer written notice of any such increase at least one (1) month before the proposed date of the increase. If such increase is not acceptable to the Customer, it shall notify the Supplier in writing within two (2) weeks of the date of the Supplier's notice and the Supplier shall have the right without limiting its other rights or remedies to terminate the Contract by giving two (2) weeks' written notice to the Customer.
- 9.4. The Supplier reserves the right to increase the price of the Goods, by giving notice to the Customer at any time before delivery, to reflect any increase in the cost of the Goods to the Supplier that is due to: (i) any factor beyond the control of the Supplier (including foreign exchange fluctuations, increases in taxes and duties,

and increases in labour, materials and other manufacturing costs); (ii) any request by the Customer to change the delivery date(s), quantities or types of Goods ordered, or the Goods Specification; or (iii) any delay caused by any instructions of the Customer in respect of the Goods or failure of the Customer to give the Supplier adequate or accurate information or instructions in respect of the Goods.

- 9.5. Unless otherwise agreed in writing by the parties; (i) in respect of Goods, the Supplier shall invoice the Customer on or at any time after completion of delivery; and (ii) in respect of Services, the Supplier shall invoice the Customer on monthly in arrears.
- 9.6. The Customer shall pay each invoice submitted by the Supplier: (i) within thirty (30) days of the date of the invoice; and (ii) in full and in cleared funds to a bank account nominated in writing by the Supplier; and time for payment shall be of the essence of the Contract.
- 9.7. All amounts payable by the Customer under the Contract are exclusive of amounts in respect of value added tax chargeable from time to time (VAT). Where any taxable supply for VAT purposes is made under the Contract by the Supplier to the Customer, the Customer shall, on receipt of a valid VAT invoice from the Supplier, pay to the Supplier such additional amounts in respect of VAT as are chargeable on the supply of the Services or Goods at the same time as payment is due for the supply of the Services or Goods.
- 9.8. Without limiting any other right or remedy of the Supplier, if the Customer fails to make any payment due to the Supplier under the Contract by the due date for payment (the "**Due Date**"), the Supplier shall have the right to charge interest on the overdue amount at the rate of four (4) per cent per annum above the then current Bank of England base rate accruing on a daily basis from the Due Date until the date of actual payment of the overdue amount, whether before or after judgment, and compounding quarterly.
- 9.9. The Customer shall pay all amounts due under the Contract in full without any deduction or withholding except as required by law and the Customer shall not be entitled to assert any credit, set-off or counterclaim against the Supplier in order to justify withholding payment of any such amount in whole or in part. The Supplier may, without limiting its other rights or remedies, set off any amount owing to it by the Customer against any amount payable by the Supplier to the Customer.
10. **Intellectual property rights**
- 10.1. Unless otherwise agreed in writing between the parties; (i) all Intellectual Property Rights in the Goods shall be owned by the Supplier (or its licensors); and (ii) all Intellectual Property Rights arising out of or in connection with the Services shall be owned by the Supplier.
- 10.2. To the extent that any Goods are to be manufactured or Services are to be performed, using any materials supplied by the Customer, or in accordance with any instructions or specification supplied by the Customer, the Customer shall indemnify the Supplier against all liabilities, costs, expenses, damages and losses (including any direct, indirect or consequential losses, loss of profit, loss of reputation and all interest, penalties and legal and other professional costs and expenses) suffered or incurred by the Supplier in connection with any claim made against the Supplier for actual or alleged infringement of a third party's intellectual property rights arising out of or in connection with the Supplier's use of such

13.4. Without limiting its other rights or remedies, the Supplier shall have the right to suspend the supply of Services or all further deliveries of Goods under the Contract or any other contract between the Customer and the Supplier if: (i) the Customer fails to make pay any amount due under this Contract on the due date for payment; or (ii) the Customer becomes subject to any of the events listed in clause 13.2, or the Supplier reasonably believes that the Customer is about to become subject to any of them.

14. **Consequences of termination**
